*Thank You.*

To our partnering Associations, **Jefferson County, Peace Baptist and Village Spring Manly**, and State Officials:  
Your presence blessed us; your generosity overwhelmed us; your thoughtfulness touched our hearts!

Cultivate a Capacity to Accept Constructive Criticism

The recipient of the **Dr. William. H. Greason Award** was **Sister Ella J. Jones** for serving over 50 years as a musician to the Mt. Pilgrim Baptist District Association.

The recipient of the **Dr. J. W. Croom Award** was **Sister Mary Sue Petty** for her dedicated service to the MPBDA; especially as a COPPS instructor to the Mt. Pilgrim Baptist District Association.

**A special thank you to every church under the umbrella of the MPBDA; especially the ones whose members go beyond the call of duty to maintain our legacy established by our forefathers: to DO and SUPPORT Christian Education in a grand manner. Our prayer is that your efforts stimulate, rejuvenate and inspire others to rededicate their support for this historic District! I’m pressing on the upward way, new heights I’m gaining everyday; still praying as I onward bound,**

*“Lord, plant my feet on higher ground.”*
