Abyssinia Missionary Baptist Church

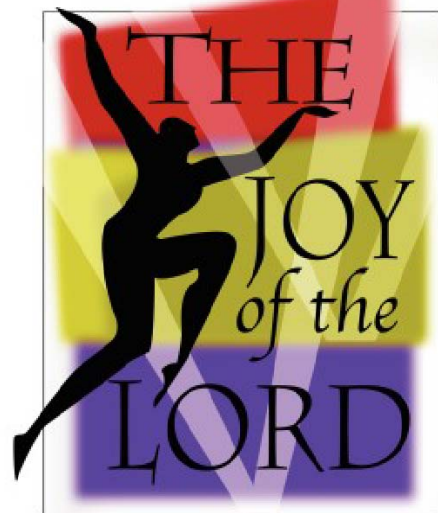

Ensley, Alabama 35218

Peace Baptist District Association

**Theme:**

**JOY**

**Jesus, Others and Yourself**

**"Not that we lord it over your faith, but we are workers with you for your joy."**

II Corinthians 1:24a

Please come and enjoy a spiritual fellowship with the various faith families of the District. The Matrons are young women working harmoniously with experienced adults in expanding a vast missionary program for the purpose of mission and education. The Lord has entrusted us with the spirit to unite young women of the Baptist church who are on this progressive journey. This fellowship is just one of the steps on this passage as we encourage them to have regular participation in the Missionary programs of Local, District, State, National, International and/or World-wide Missions. So let us continue to train young women in daily Bible study, prayer, and definite personal service. The future of the church depends on properly trained young women who are willing to practice Christian examples of living. Women who are willing to teach their children to grow as Jesus grew: in stature, in wisdom, in service and in favor with God and man.

For additional information regarding the brunch or tickets, please contact . . .
